

# POLK STATE COLLEGE FOUNDATION SCHOLARSHIPS

DEADLINE: MARCH 15, 2019

<http://foundation.polk.edu/foundation-scholarships/>

- These scholarships are strictly for Polk State College, and cannot be applied to any other college/university/trade or technical school.
- Students must have a current functioning email address.
- Students must have a current Polk State College student ID number. This means you must complete Polk State College admissions application prior to applying for scholarships. Current Dual Enrollment students will need to visit the PSC Admissions office to have your status changed from a Dual Enrollment student.
- Students must complete FAFSA (fafsa.ed.gov) prior to applying for scholarships.
- Students will need to upload a PDF copy of your current transcripts. Please provide Ms. Story your email address in order to get your PDF file.
- The Polk State College Foundation is made aware of other scholarship opportunities throughout the year. Those opportunities will be posted via the web at <http://foundation.polk.edu/scholarships/third-party-scholarships/>. You should check this page often for possible opportunities. These scholarships are not affiliated with the Polk State College Foundation and questions should be directed to the sponsoring organization.
- Scholarships will be awarded in June and will be available for use Fall of the next academic year.

You should apply if:

1. You know you are going to Polk State College.
2. There's a chance you may attend Polk State College.
